

Guide to Events

In the following pages, bordered with stripes, you will find all of the events that will take place on the Heath over the next twelve months.

Fairs, music concerts, youth and family wildlife activities, children's entertainment, conservation projects and sporting events are all here in a month by month calendar.

Each event is listed with the date, time and location, as well as a symbol to help you decide which events are suitable for you. Some events require booking and may have a charge. We hope that you will find something that takes your fancy, so get planning!
