## Frequently asked questions about our Student Environmental Health Officer Training Course

### ***How long does the course run for?***

It's a 4 Day Course running from Monday-Thursday

### ***What does the course cover?***

Activities and practical training will be undertaken during the 4 days in some of these areas:

- Identification of food
- Shellfish Control
- Imported Food Control
- Products of Animal Origin Controls
- Food Safety on Aircraft and Vessels and
- Infectious Disease Control

### ***When do your courses start?***

The courses run from February until June and start again in September running until the end of November.

### ***How many students attend each course?***

6 students per course.

### ***How much does it cost?***

Nothing, its FREE!!!!

### ***Do I need a car?***

YES!!! Most definitely.

### ***Once I have booked a place on your course what happens next?***

The Course Organiser will send you a booking form, by email, for you to complete and return to us as soon as possible to confirm your place on the course.

### ***Will I receive any other information?***

Yes, an information pack will be sent to you about a month before your course starts, which includes the following information:

- Location Maps and directions for all the dock offices
- A training course 4 day programme
- An accommodation list
- Health and Safety Guidance Notes

### ***What happens at the end of the course?***

On the last day we ask the whole group to complete a questionnaire, and we welcome any comments and suggestions on how we could improve our training course.

### ***Do I receive anything to confirm that I have been on the course?***

Yes, we will issue you with a certificate which is a training statement detailing the areas which have been covered to meet the criteria set out in the CIEH student training logbook (2002 version).
