The Day

International Women's Day is celebrated around the world. The occasion is marked annually in the City of London where we use the opportunity to acknowledge women's success and contribution to the workplace and to society.

Attendees will hear our speakers describe their journey to success, the challenges they have faced and how they overcame them. Sponsorship funds raised will go directly to our chosen charity for the year, Refuge.

The Event

The City of London Corporation and HSBC are hosting a champagne breakfast at The Great Hall, in the Guildhall on Friday 9th March 2012 from 8am to 11am.

Bringing together 400 women and men from across the City, this prestigious event will offer excellent opportunities for meeting and exchanging ideas and experiences.

The Speakers

This year's invited Chair is actor and Refuge supporter, David Morrissey. David will be joined by prominent guest speakers linked to the City.

Sponsorship Package

By sponsoring the event for £1,000 you will be given;
