MOTORCYCLE PARKING FACILITIES WITHIN CITY OF LONDON CAR PARKS

LONDON WALL, BAYNARDS HOUSE (Queen Victoria Street), **WHITES ROW, MINORIES** (Mansell Street), **TOWER HILL** and **WEST SMITHFIELD**.

You **must not** take a ticket when entering these car parks, but must manoeuvre your vehicle around the barrier.

Motorcycle **combinations** or **tricycles** are not permitted to park within solo motorcycle parking places. They should park in a standard meter or pay & display bay and comply with the conditions and charges of that bay. **This free parking policy may be subject to review in the future.*

PARKING IN ALLEYWAYS

The London Local Authorities and Transport for London Act 2008, has given new powers to all London boroughs, to issue parking tickets to vehicles (i.e. motorcycles, scooters) parked on the footpath in alleyways.

The Act also gives powers to allow civil enforcement officers and any other authorised council officers to remove anything obstructing the vehicles' number plate. This is to enable them to issue any appropriate penalty charge notice (parking ticket); recover the removal cost of a wheel clamp when someone has taken it off the vehicle illegally.

From Monday 22 September 2008, the City of London Corporation began issuing penalty charge notices to vehicles that are parked on footways in alleyways irrespective of ownership.

HOW TO AVOID PARKING TICKETS

- **Read all parking signs** and check road markings to ensure that you are allowed to park.
- Park **fully within** the designated parking place markings.
- Motorcycles **should not** be left for more than 24 hours at a motorcycle-parking place.
- If a bay is suspended overnight you may be liable to be ticketed or removed
- Footway parking is banned throughout London.

A minicom text phone service is available for those with impaired hearing on 020 7332 3545.

Further information on parking and services available can be found on the City of London website www.cityoflondon.gov.uk

This information sheet is issued as a guide for people with motorcycles who may park in the City of London. Whilst every effort has been made to ensure accuracy, it is intended as a guide only and does not constitute a legal document. Consequently, the City of London takes no responsibility for any subsequent legal action, which may arise involving these parking provisions within the City.
