Certificate

In our report dated 29 September 2017, we explained that we could not formally conclude the audit on that date until we had completed the work necessary to issue our assurance statement in respect of the Corporation's Whole of Government Accounts consolidation pack. We have now completed this work.

No matters have come to our attention since that date that would have a material impact on the City Fund financial statements or pension fund financial statements on which we gave unqualified opinions and value for money conclusion.

We certify that we have completed the audit of the financial statements of City of London Corporation in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
