Activities in the Ward

The Ward is always busy. We therefore wanted to profile some of the varied activities from the past few months.

London Wall Place

The Queen visited the Ward in November to open the new Schroders head office at One London Wall Place.

It was reported that she was impressed with the great views from the top of the building. We hope all the staff enjoy their wonderful new building.

The Financial Services Group of Livery Companies also hosted their annual lecture there in October. The topic was Rethinking Reputational Risk by Anthony Fitzsimmons of Reputability and the proceeds from the event went to the charity The Brokerage.

Please contact Councilman Robert Merrett for further information.

City Giving Day

We want to thank all the firms in our Ward who made City Giving Day such a great success in September.

They included:

- Cleary Gottlieb Steen & Hamilton
- Heart of the City
- HP
- Legal and General
- Lloyds Banking Group
- National Australia Bank
- Schroders
- Sovia Capital
- Standard Chartered
- Unum
- Worshipful Company of Insurers

Standard Chartered employees (and our Alderman, pictured) were actively fundraising for Seeing is Believing and volunteered in a reverse mentoring session for talented people with sight-loss. This also marked 15 years of the Bank supporting the Seeing is Believing programme since its launch in 2003.

Please contact Alderman Tim Hailes for information on how to participate next year.

Season Greetings

Your elected Members wish all the residents and workers in the Ward a Merry Christmas and Happy New Year

Bassishaw

Who We Are

We are always happy to talk to workers and residents within the Ward about any issues you may wish to raise. Please contact us if you would like to arrange a meeting.

COMMUNICATING WITH THOSE WHO LIVE AND WORK IN THE CITY OF LONDON

Ward Club

In September, Club members took a guided walk around the Ward as well as hosting Susan Pearson CC for a talk on Architecture in Bassishaw. Of interest, there are just 28 buildings. One of these is the historic Guildhall. But almost all of the rest are post war, albeit often designed by leading British architects.

Members visited Two Temple Place in October, built as the home of William Waldorf Astor, with its fabulous staircase.

The club has a Twitter account @bassishaw. For information on joining the events and the Club, please contact Councilman Graeme Harrower.
