0:02

people assume many things about the

0:03

square mile

0:04

but the young are coming there is an

0:07

incredible togetherness here in square

0:09

mile

0:09

whatever the technology we're still

0:11

human and the more of us you put in one

0:13

place the more ideas you get

0:16

culture day is town hall's hackathons

0:18

escalating cascading brainstorming

0:20

and parties connection credibility trust

0:23

talent and edge contemporary colorful

0:27

challenging alive

0:32

this is the messy edge of the square

0:34

mile where so many possibilities live

0:37

come and join us i'm here because i

0:39

believe we can move forward the winds of

0:40

change are blowing so hard here at the

0:42

barbican

0:43

and per square mile is a place where

0:44

it's profitable to be sustainable

0:48

it's just so inspiring working with

0:50

passionate people from all over the

0:51

world

0:52

the square mile gives you a powerful

0:54

platform to the young people out there

0:56

you're better than my generation

0:58

you have a greater sense of social

1:00

purpose come and challenge the status

1:01

quo

1:02

there are people here who want to open

1:03

doors for you
