

CITY
OF
LONDON

Open Spaces

Registered Charity

Make something that floats

1. Use what you can find in the recycling to make a small boat.
2. Cutting up an old milk or juice carton works well, or rolling up newspaper and tying at both ends.
3. Use paper clips or string to bind it together – try it out in a sink or bath!

The City of
London protects
and manages
14 green spaces
in and around
London.
