

Under the Anti-social Behaviour, Crime and Policing Act 2014, anyone failing to comply with the orders listed in this leaflet will be liable to a fixed penalty notice of £80 or prosecution with a fine of up to £1000. If paid within 10 days the fixed penalty is reduced to £50.

Some exemptions exist.

- Being unaware of a dog fouling, or not having suitable means to remove the faeces is not a reasonable excuse.
- Effective control as stated in the Burnham Beeches dog code means dogs should either be in sight at all times and returning immediately when called, or be kept on a lead.
- Rangers will only issue an FPN if they have reasonable grounds to believe that an offence has been committed.
- A criminal record can be avoided if you pay the FPN within the permitted time.
- Do not leave bags containing dog poo by the side of a path/road to pick up later; it will still be an offence if the poo is not removed immediately.
- Please ensure your dog is wearing a collar and tag with your contact details on it - this will help us return it to you if it gets lost and is required under the site byelaws.

Burnham Beeches

Registered Charity

Walking your dog at Burnham Beeches

This is one of 14 green spaces managed by the City of London at little cost to the general public.

To ensure a balance between the needs of all site users, Public Spaces Protection Orders (PSPOs) relating to dog walking apply **at all times** at Burnham Beeches.

You can still enjoy a walk with your dog across the whole site, except the small exclusion area at the café - that's nearly 220 hectares (540 acres) - but under the PSPOs the following apply:

Order 1: Fouling by dogs

Please make sure you pick up all poo that your dog drops, wherever you are in Burnham Beeches. Please also ensure that you dispose of it properly by using one of the bins provided or taking it home.

Order 2: Dogs on leads

If you are in the areas marked 2 on the map you must keep your dog on a lead no longer than 5m in length.

Order 3: Dogs on leads by direction

Dogs must be under effective control at all times in Burnham Beeches. If your dog is off a lead in the area marked 3 on the map and an authorised officer judges that it is not under effective control, they will ask you to put it on a lead. Please make sure you always carry a lead (not more than 5m in length) when you walk your dog at Burnham Beeches.

Order 4: Dogs exclusion area

Please do not allow your dog to enter the no dogs area at the café (marked 4 on the map). If you have a recognised assistance dog because of a disability, you are exempt.

MAX 4

Order 5: Maximum number of dogs

Each dog walker can bring a maximum of four dogs onto Burnham Beeches at one time.
