I travel thousands of miles in a dirty

0:23

cage with no food or water just took a

0:27

big needle in me and I don't remember

0:29

what happened next I woke up in a

0:33

strange room surrounded by lots of other

0:35

cookies and we were really scared my new

0:43

family was so excited to see me but I

0:46

wasn't the puppy from the advert I was

0:49

struggling to breathe and was too ill to

0:51

play they were really worried about me

0:57

that said I had been smuggled into the

1:00

country illegally with a fake passport

1:02

and no vaccinations I was sent to

1:08

quarantine so I couldn't make my new

1:09

family or the dogs sick I was scared and

1:13

lonely and the days went on forever I

1:16

didn't think I would ever see them again

1:19

so I was really happy and it finally

1:21

came to take me home I was one of the

1:27

lucky ones that's a lot of bookies like

1:29
