0:02

they burned my dog it's protocol that's

0:06

what happens he's only a dog seems

0:10

unduly pitiless to me to burn someone's

0:12

dog seems kind of pitiless to shoot the

0:14

dog in the first place

0:17

you look exhausted would you like to

0:21

come in

0:27

are we being listened would it make a

0:30

difference who knows no we're not so

0:35

you're not here to interrogate me no lie

0:48

this is a black hole it consumes matter

0:51

sucks it in and crushes it beyond

0:54

existence when I first heard that I

0:58

thought that's evil at its most pure

0:59

something that drags you in crushes you

1:02

makes you nothing I love to talk about

1:07

nothing it's the only thing I know

1:10

anything about don't you believe in evil

1:12

I have to I've seen it

1:16

ah Henry Madsen Henry and I was like him

1:22

me conceivably

1:26

what's happening to your marriage ah

1:29

last time I saw you there was a ring

1:31
today no ring is someone else involved
1:34
not here to discuss their Ellis is he
1:37
handsome if you like that sort of thing
1:40
I guess are you in pain you don't
1:43
understand love Alice it's not your
1:44
fault
1:45
you can mimic it and I guess you can
1:46
recognize it in other people but you
1:48
will never be able to understand love
2:02
did you come in the sack
2:07
no because you'd be surprised how many
2:11
men do do you think they have any idea
2:14
how fast they look some of us are afraid
2:17
of their you then why why did I come
2:19
here cuz I wanted to tell you that I
2:22
know you kept the gun and sooner or
2:24
later I'll find it well why would I do
2:26
that I just couldn't help me sell could
2:28
you wouldn't it make things easy for you
2:30
if that were true but it's not there's
2:33
no gun to fire me keeping like them was
2:35
an irrational decision it was a
2:37
compulsion it did it cuz you needed to
2:40
do it it's that compulsion that makes

2:43

you weak in ways that you come and see

2:46

or understand miss that composure is

2:50

gonna get you caught and it won't bring

2:53

you down Alice it always does just like

2:55

please don't need me because honestly I

2:57

wouldn't and was it come now really

3:03

because I'd be hurt and angry

3:08

I wonder

3:12

why did your wife tell her face from you

3:14

John

3:16

why would she do that is it because you

3:21

shy surpri

3:36

I'm coming for you what if I come for
