the assailant act into the environmental

0:24

control system locked out the safety

0:26

protocols and turned on the gas all of

0:28

which should have been impossible I'll

0:30

tell that they hacked into her files

0:32

they knew her appointments they knew

0:34

she'd be out of the building

0:36

they weren't targeting her I wanted her

0:39

to see it where are we

0:43

new digs old building was declared

0:53

strategically vulnerable that's putting

0:56

it mildly

0:57

be able to breach the most secure

0:59

computer system in Britain so we're on

1:02

war footing now this is part of

1:05

Churchill's bunker I'm still discovering

1:07

tunnels dating back to the 18th century

1:09

my fascinating who wasn't for the rats

1:11

oh I see em tomorrow you'll see em and

1:15

Mallory - if you're lucky mr. Mallory

1:18

new chairman of Intelligence and

1:20

Security Committee Charlene I think you

1:22

yes pretty gonna kiss at office talking

1:26

to the new mi6

1:33

you
