PAN LONDON CO-ORDINATED ADMISSIONS SYSTEM

Scheme for Co-ordination of Admissions to Year 7 in September 2020/21

Applications

1. The City may commission a partner organisation to carry out some of the Local Admission System functions.
2. The City will advise home LAs of their resident pupils on the roll of this LA's maintained primary schools and academies who are eligible to transfer to secondary school in the forthcoming academic year.
3. Applications from City residents will be made on the City's Common Application Form (CAF), which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule 1 to this Template City Scheme. These will be supplemented by any additional fields and information which are deemed necessary by the City to enable the admission authorities in the area to apply their published oversubscription criteria.
4. The City will take all reasonable steps to ensure that every parent/carer who is resident in the City and has a child in their last year of primary education within a maintained school, either in the City or any other maintaining LA, receives a copy of the City's admissions brochure and Common Application Form, including details of how to apply online. The admissions booklet will also be available to parents/carers who do not live in the City, and will include information on how they can access their home LA's Common Application Form if unable to apply online.
5. Applicants will be able to express a preference for six maintained secondary schools or Academies. As there are no maintained secondary schools within the City, all school preferences will be for schools outside the City.
6. The order of preference given on the Common Application Form will not be revealed to any school in accordance with paragraph 1.9 of the School Admissions Code 2014. However, as parents resident in within the City will expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.
7. The City undertakes to carry out the address verification process set out in Schedule 4 below. This will in all cases include validation of resident applicants against primary school data and the further investigation of any discrepancy. Where the City is not satisfied as to the validity of an address of an applicant

whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than **12 December 2019**.

8. The City will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is a 'Child Looked After' and will provide evidence to the maintaining LA in respect of a preference for a school in its area by **13 November 2019**.
9. The City will advise a maintaining LA of the reason for any preference expressed for the school in its area, in respect of a resident child born outside of the correct age cohort, and will forward any supporting documentation to the maintaining LA by **13 November 2019**.

Processing

10. Applicants resident within the City must return the Common Application Form, which will be available and able to be submitted on-line, to the City by **31 October 2019**. However, the City will publish information which encourages applicants to submit their application by **18 October 2019 (i.e. the Friday before half term)**, to allow it sufficient time to process and check all applications before the mandatory date when data must be sent to the PLR.
11. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of the City's scheme, will be up-loaded to the PLR by **13 November 2019**. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.
12. The City will accept late applications only if they are late for a good reason, deciding each case on its own merits. Please see Schedule 4 for further information.
13. Where such applications contain preferences for schools in other LAs, the City will forward the details to maintaining LAs via the PLR as they are received. The City will accept late applications which are considered to be on time within the terms of the home LA's scheme
14. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA's scheme is **13 December 2019**.
15. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA will accept the application as on-time up to **12 December 2019**, on the basis that an on-time application already exists within the Pan-London system.
16. The City will participate in the application data checking exercise scheduled between **16 December 2019 and 2 January 2020** in the Pan-London timetable in Schedule 3A.

17. The City's LAS will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved or until **14 February 2020** if this is sooner.
18. The City will not make an additional offer between the end of the iterative process and **2 March 2020** which may impact on an offer being made by another participating LA.
19. Notwithstanding paragraph 18, if an error is identified within the allocation of places, the City will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, the City will accept that the applicant(s) affected might receive a multiple offer.
20. The City will participate in the offer data checking exercise scheduled between **17 and 24 February 2020** in the Pan-London timetable in Schedule 3A.
21. The City will send a file to the E-Admissions portal with outcomes for all resident applicants who have applied online no later than **25 February 2020**. (33 London LAs & Surrey only).

Offers

22. The City will ensure, so far as is reasonably practical, that all resident children who have not been offered a preference expressed on the common application form and late applicants whose preferences have not been considered, will either receive an offer of an alternative school place (closest school with a vacancy in Islington) or will be informed of schools which still have vacancies and asked to indicate which school they would prefer their child to attend.
23. The City will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered.
24. The City's outcome letter will include the information set out in Schedule 2.
25. On **2 March 2020**, The City will send by first class post notification of the outcome to resident applicants.
26. The City will provide primary schools with destination data of its resident applicants by the end of the Summer term **2020**.

Post Offer

27. The City will request that resident applicants accept or decline the offer of a place by **16 March 2020**, or within two weeks of the date of any subsequent offer.
28. Where a City resident accepts or declines a place in a school maintained by another LA by **16 March 2020**, the City will forward the information to the maintaining LA by **23 March 2020**. Where such information is received from applicants after **16 March 2020**, the City will pass it to the maintaining LA as it is received.
29. Following the Pan London allocation of places, should any places arise; the City will offer a place at a maintained school or Academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the Common Application Form than any school already offered.
30. Where the City is informed by a maintaining LA of an offer which can be made to an applicant resident in the City which is ranked lower on the Common Application Form than any school already offered, the City will inform the maintaining LA that the offer will not be made.
31. Where the City has received a request and has agreed to a change of preference order for good reason, it must inform any maintaining LA affected by the change. In such cases, paragraph 30 shall apply to the revised order of preferences.
32. The City will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
33. The City is not an admissions authority, thus does not operate a waiting list.

SCHEDULE 2
Template Outcome Letter for Admissions to Year 7 and Reception
in 2020/21

From: Home LA

Date: **2 March 2020**

Dear Parent,

Application for a Secondary School

I am writing to let you know the outcome of your application for a secondary school. Your child has been offered a place at X School. The school will write to you with further details.

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants has a higher priority than your child under the school's published admission criteria.

Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.

If you would like more information about the reason that your child was not offered a place at any higher preference school, you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in the borough of X are attached to this letter. If the school is outside the borough of X, the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child's education.

You must contact this office if you wish to apply for any other school, either in this borough or elsewhere.

[You can also request that your child's name is placed on the waiting list for a school which was a higher preference on your application form than the school you have been offered. Please use the enclosed reply slip and return it to this office]. OR

{Your child's name has been placed on the waiting list for any school which was a higher preference on your application form than the school you have been offered. If you need to find out your child's position on the waiting list please contact the admission authority or the borough in which the school is situated}.

(One of the above bracketed paragraphs should be used depending on whether the LA automatically places children on a waiting list for higher preference schools).

*Please return the reply slip to me by **16 March 2020**. If you have any questions about this letter, please contact me on _____.*

Yours sincerely

(First preference offer letters should include the paragraphs in italics only)

**PAN-LONDON CO-ORDINATED ADMISSIONS SCHEME
SCHEDULE 4**

Schools Admissions Address Verification Policy

1) Introduction

The City will only accept applications from applicants who live within the boundaries of the City's Local Authority area.

The City will not accept a temporary address if the applicant still possesses a property that was previously used as a home address, nor will the City accept a temporary address used solely or mainly to obtain a school place.

The City may ask new arrivals and those who have a short term tenancy, for evidence of the sale or end of tenancy of the previous property.

The City will also review the application of any family that decides to move after taking up a school place, up to a year following the closing date.

2) Late Applications

The City will accept late applications only if they are late for a good reason, deciding each case on its own merits. Examples of what will be considered as good reason include: when a single parent has been ill for some time, or has been dealing with the death of a close relative; a family has just moved into the City of London area or is returning from abroad. Other circumstances will be considered and each case decided on its own merits.

3) Address Verification

a) Applicant address verification

All applicants address details will be checked against the City of London's Council Tax Department's records. If applicant details are not found, the City will investigate further to determine your address (please see section 4a). Your application will not be processed unless your details are verified.

b) Child addresses and age verification

All applicants must provide a copy of the child benefit letter or other official government documentation such as letter from the NHS or child tax credit document that confirms the child's address and date of birth. The document must not be dated more than one year of the application submission date. If the document does not have the child's date of birth on the letter, then the child's birth certificate or medical card must also be submitted (please see section 4b for a list of other acceptable documents).

c) Split Residency

Where a child lives with parents with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to evidence which the residential address is for the purposes of admission to school. If the residence is not split

equally between both parents then the address used will be the address where the child spends the majority of the school week

4) Definitive date of residence at address provided

The City will accept the address at the time of the application closing date. Addresses changed after the closing date may not be considered and will be dealt with on a case by case basis.

If your address cannot be verified by the City’s Council Tax team, additional documentation will be required as follows:

5.1 Investigation

Where the City of London cannot verify an application, further documentation will be required as part an investigation to determine that the information provided on the form is accurate.

Information submitted on the common application will be used by the City of London for the purposes of administering the school transfer process. The City of London has a duty under the Children Act 2004 to work with partners to deliver and improve services to children and young people in the area, and to comply with the Data Protection Act 1998 in respect of the personal information families provide. The City may use this information for other legitimate purposes and may share this information where necessary with other bodies responsible for administering services to children and young people or where otherwise required by law.

Where any investigations are on-going at the offer stage, an offer of a place will be given on a conditional basis.

The City will not withdraw an application based of non-receipt of documents, but will inform the applicant that the application will not be processed further until received.

5.2 Formal notification

Once all information has been gathered the City will write to the applicant about the findings and will provide an opportunity for the applicant to respond to any issues that arise.

5.3 Decision & Outcome

Following receipt of any statement, declaration or further information from the applicant, the City will decide whether the information on the application is genuine or fraudulent.

If the decision is to withdraw an application or offer, a period of notice will be given to give a final opportunity to address the evidence presented. If a place is withdrawn a fresh application should be submitted. Where the true home address is in another Local Authority, we will forward your application to that Local Authority.

If the child has already started the school once the fraudulent application has been identified, consideration may be given to alternatives to withdrawing the place, such as withdrawing sibling criteria for future siblings.
